

## **COVID FAQ's – College Industry Conference**

1. Will masks be required? – We will be following the state of Illinois or Cook County mandate requirements at that time of the conference. Currently, it's masks indoors and the Westin is following those mandates also.
2. Will a vaccination be required? – At this time we are not requiring vaccination, but we will let attendees know what the laws/rules/mandates in Chicago.
3. Will the students still be rooming with people they do not know and with no knowledge of their covid status? – The current plan is to have only students from the same school share a room.
4. How can I find other information on the local covid mandates? <https://cookcountypublichealth.org/>
5. Will we be required to social distance? There is no requirement to socially distance when wearing masks.
6. How can I find Westin cleaning practices? <https://whattoexpect.marriott.com/chiwi>
7. Are their travel restrictions? Unvaccinated travelers should be tested for COVID before and after travel and should quarantine upon arrival in Chicago.
8. Will you be conducting temperature checks and covid-19 symptom screening at the door? FEF will not be conducting temperature checks upon registration. We may require a covid symptom checklist signoff for all students.
9. What should I do if I get sick during the conference? Immediately notify an FEF staff person.
10. Are FEF staff vaccinated? Yes
