

# Everybody Reads (Together)

Wed. 3/26/14, 4-6 pm, Hale Center

154 W. 12th Ave. | Columbus, Ohio 43210

Join us in celebrating the publication of *Lucky Dogs, Lost Hats, and Dating Don'ts: Hi-Lo Stories about Real Life* by Thomas Fish and Jillian Ober. *Lucky Dogs* was created to answer the need expressed by participants in Next Chapter Book Clubs for a book about adult life written in simple language. Our celebration will bring together members of the Next Chapter Book Clubs, community members, OSU faculty, staff, administrators, and students, people who read well and not well, people who use American Sign Language, people who use Braille, and YOU. **The event is open to anyone who would like to attend.** Sponsored by OSU Disability Studies and the Next Chapter Book Clubs.
