

# ENCompass

## WHAT DO WE DO?

- We conduct consultations with underserved members of the Columbus community at our eight sites
- -ENCompass volunteers join one of six cohorts:

**IT – Membership**

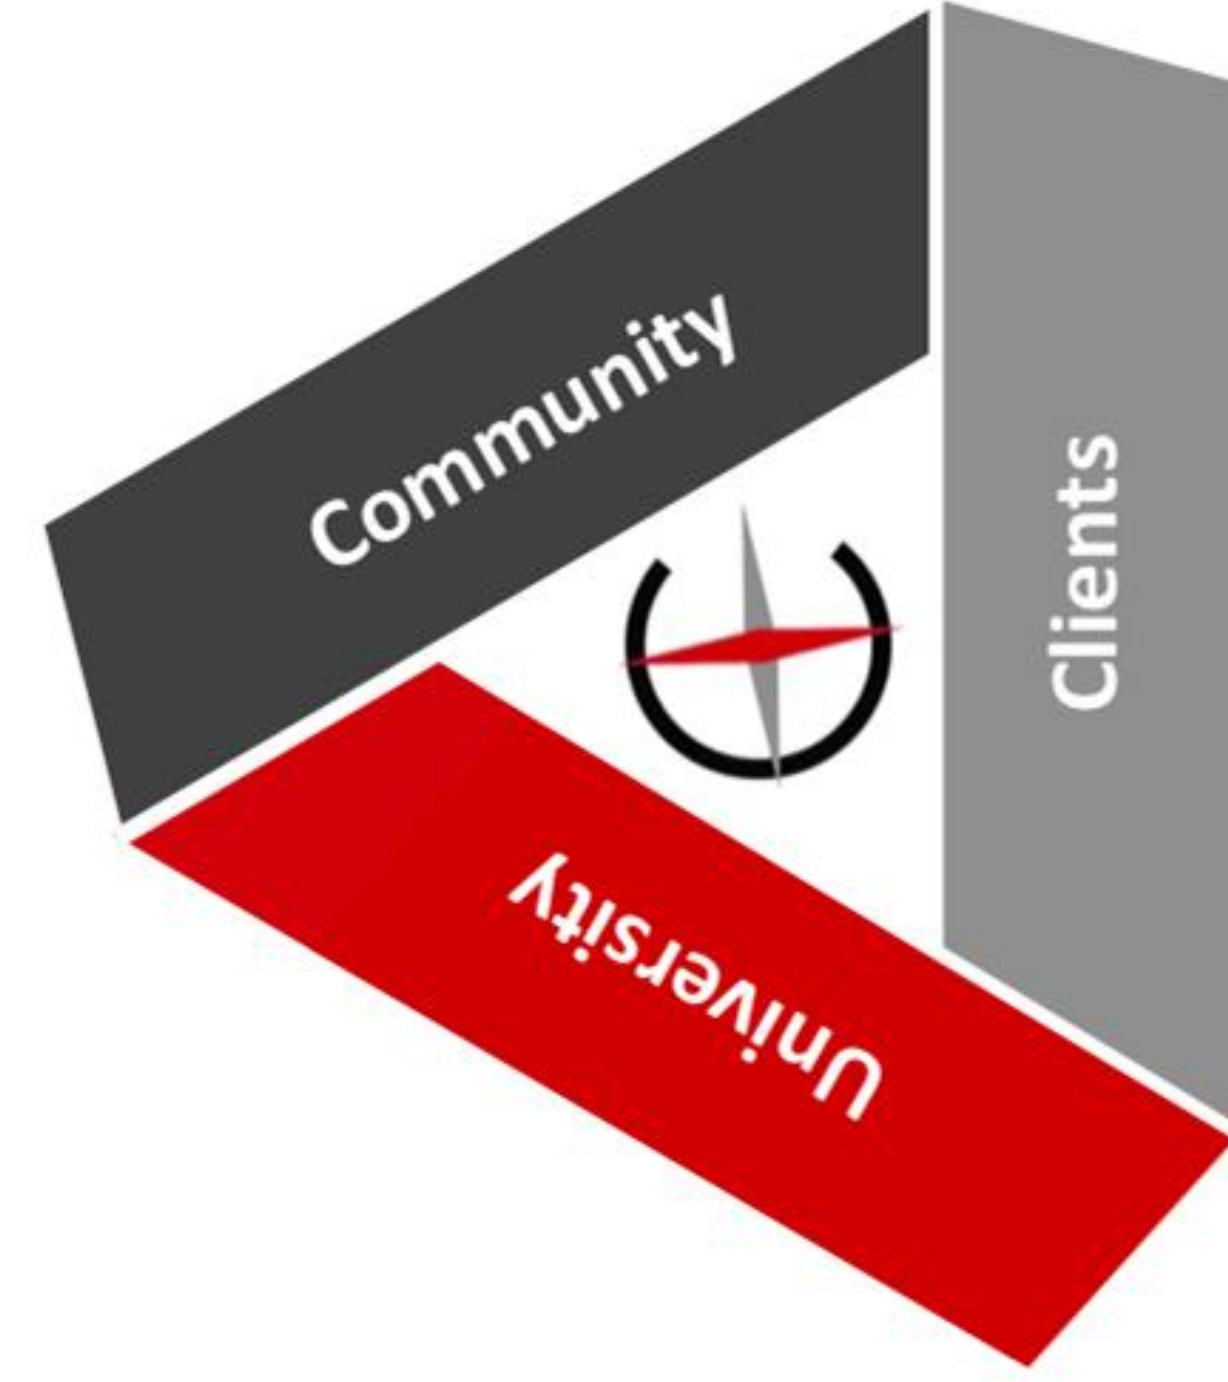

**Development and**

**Recruitment – Public**

**Relations - Outreach -**

**Research – Site**

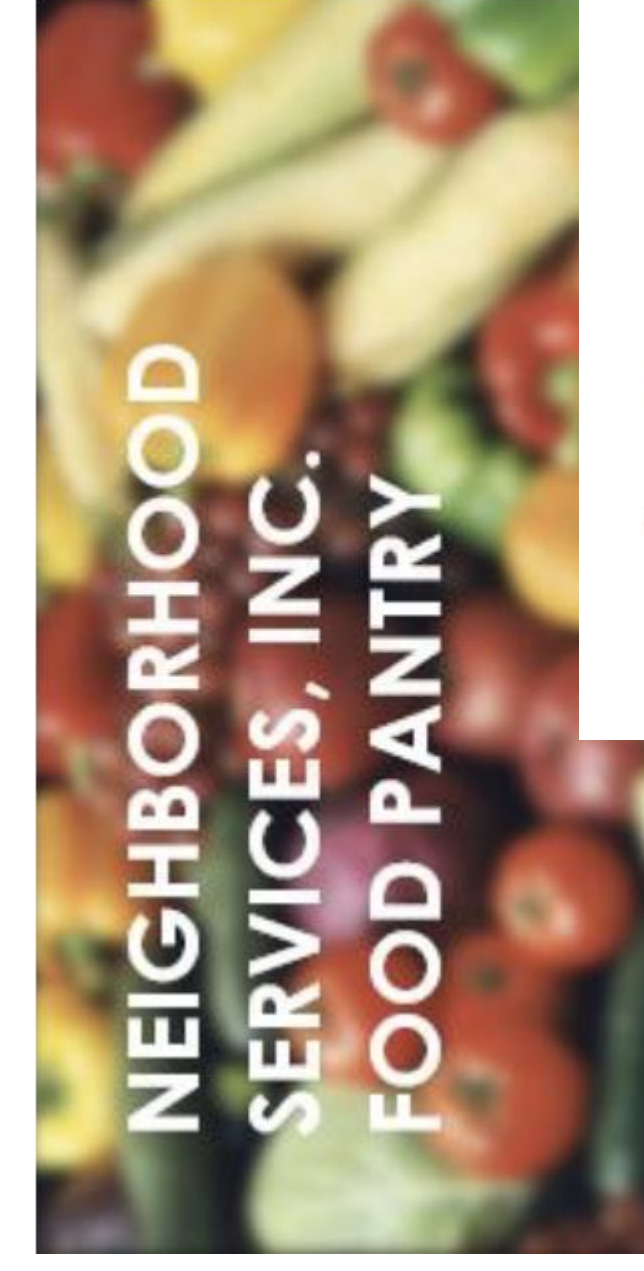

**Engagement**

Are you interested in **medicine, social work, public health, or volunteering** in the Columbus community? Are you looking to get more experience in clinical or community service settings?

### Apply to ENCompass this fall!

ENCompass is dedicated to bridging this gap between medical and social care. We connect clients with free healthcare and social resources in their local communities to try and address needs indirectly related to medical care and improve their overall health.
