

2015

CONGRATULATIONS
Dr. Bob
TORTURER
OF THE
SEMESTER

PART 2: SEMI-MANDATORY "PROFESSOR FROM HELL" HUMOR

Mr. Jones lives 50 miles away from you. You both leave home at 5:00 and drive toward each other.

Mr. Jones travels at 35 mph, and you drive at 40 mph. At what time will you pass Mr. Jones on the road?

GIVEN THE TRAFFIC
GROUND HERE AT 5:00,
WHO KNOWS?

I ALWAYS CATCH THESE
TRICK QUESTIONS.

HEPNER

FOR BETTER OR FOR WORSE

BY LYNN JOHNSTON

Always label your axes

A chemistry laboratory setup. A Bunsen burner is lit, with a blue flame. A test tube is held in a test tube holder, and a beaker is placed on a stand. The background is a light-colored wall.

**I heard that Oxygen and
Magnesium are now
together.**

I was like O Mg!
