37) The Bottle Tree

A chemistry laboratory setup featuring a Bunsen burner on a stand, a test tube in a rack, and a beaker on a surface. The background is a light-colored wall.

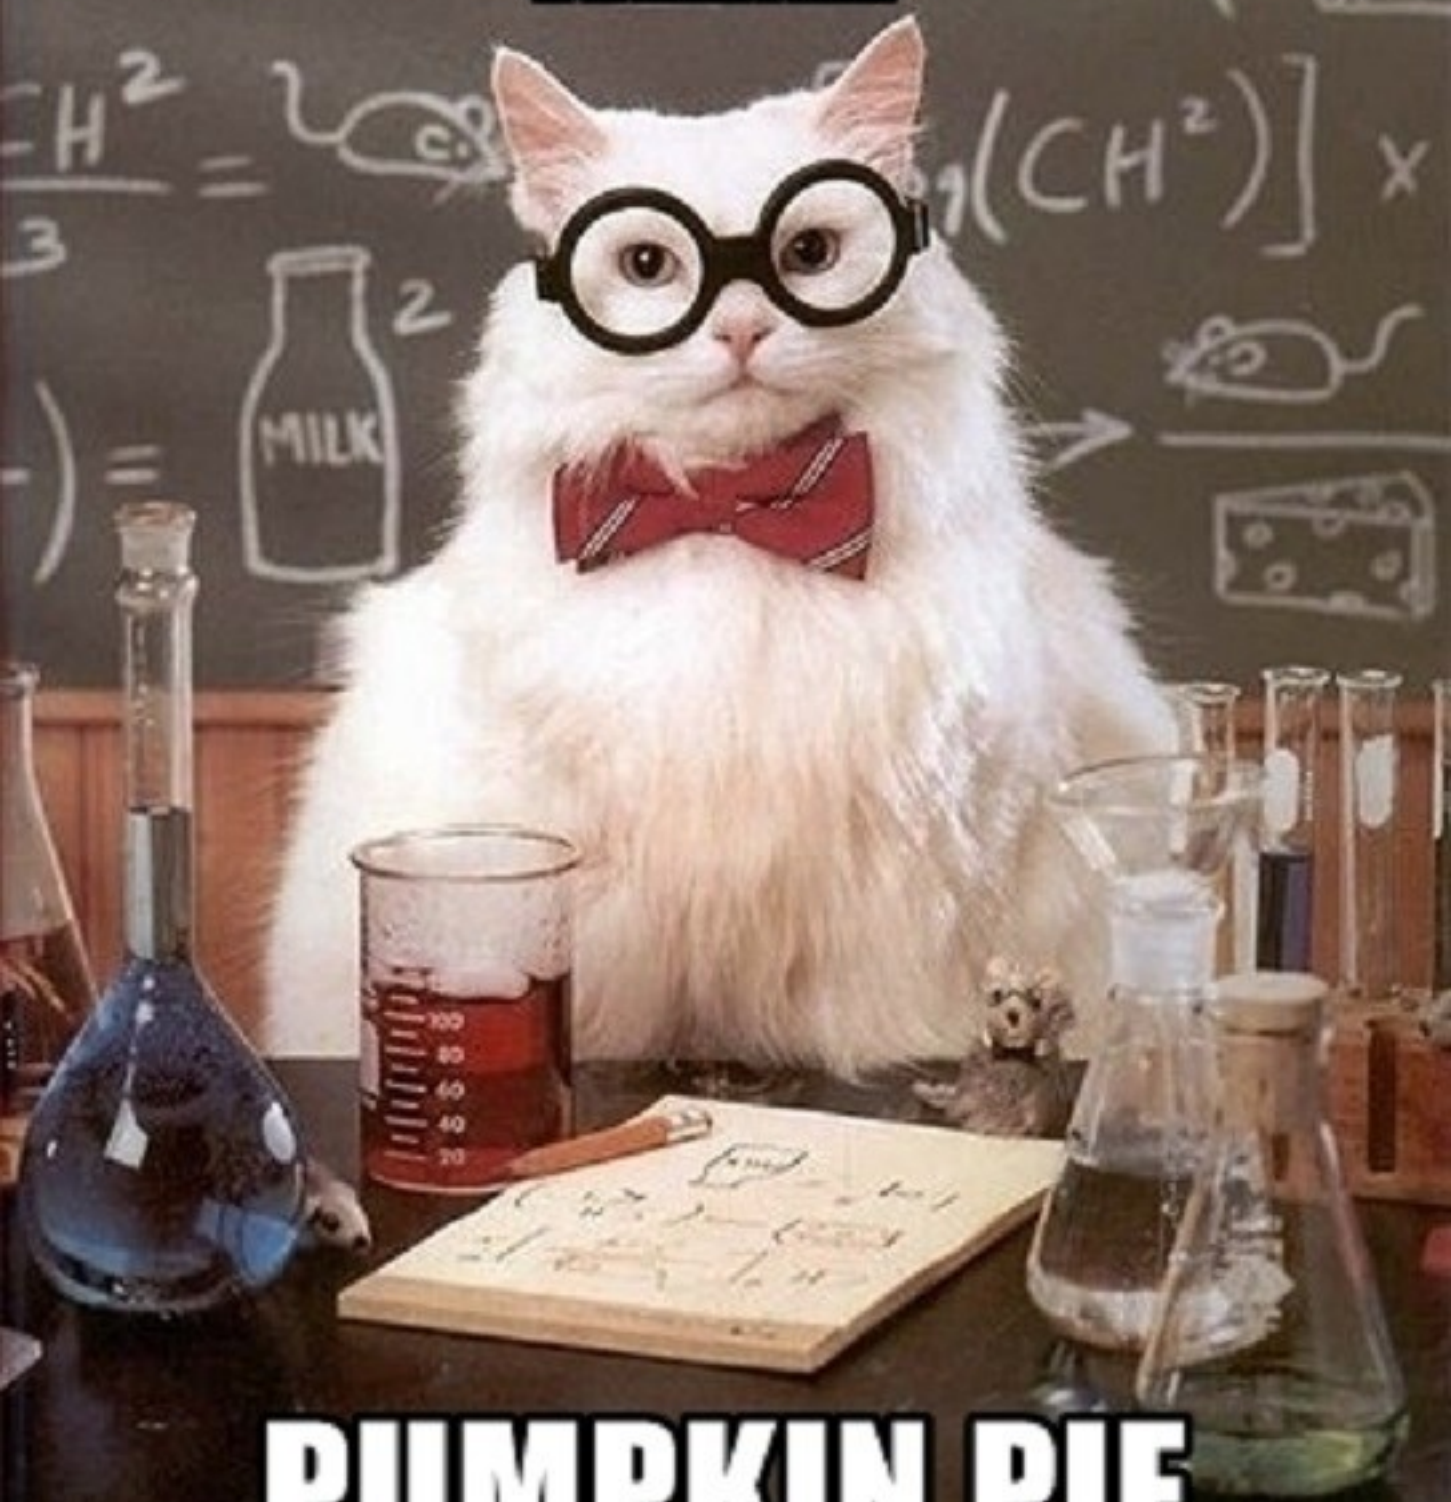

**I heard that Oxygen and
Magnesium are now
together.**

I was like O Mg!

WAIT.
THERE AREN'T
PARTICIPATION
TROPHIES? THAT'S
NOT FAIR!!

**WHAT DO YOU GET WHEN YOU DIVIDE THE
CIRCUMFERENCE OF A PUMPKIN BY IT'S
DIAMETER?**

PUMPKIN PIE
