

The 9th Annual Graduate Research Symposium (GRS)

Event Details

Oral Presentation

1. This event will be held **LIVE** via ZOOM. The zoom link and schedule will be provided to the presenters prior to the event.
2. The **maximum time** allotted to each presenter is **12 minutes**. Total presentation time along with Q&A is limited to 15 minutes.
3. Judging will be carried out during the presentation by faculty members and/or industrial attendees, as in past GRS events.

Virtual Poster Presentation

1. Presenters will **need to record their presentation** prior to the event and submit it to us by a certain date (to be announced later). Using Zoom is recommended for the recording
2. The presentation time is limited to **5 minutes** and the **number of slides** in the presentation are **limited to 3**.
3. All attendees will be given access to these pre-recorded presentations on the day of event.
4. The presenters will be provided a **zoom link** prior to the event for **Q&A and networking** only.
5. Each presenter is expected to be in the zoom meeting for the stipulated time.
6. Judging will be carried out by faculty members and/or industrial attendees based on presentation skills and content, as in past GRS events.

Winners from both categories will be awarded prizes and certificates! We look forward to your participation in Virtual GRS 2020
