

METTLER TOLEDO

Have you been out of the Lab for awhile?

Let us Check your Instrument's Vital Signs!

METTLER TOLEDO and Fisher Scientific are partnering together, and we want to stop by your lab to perform a free checkup on the Balances and pH Meters used in your operation!

What to Expect During the Checkup

- Balance and Electrode calibration will be checked
- Health of your Balances and pH Meters will be checked
- Recommendations for your lab applications will be prescribed

Don't forget to ask about our Good Weighing Practice™ and Good Electrochemistry Practice™ Programs, designed to keep your Lab in perfect health!

Contact your METTLER TOLEDO and Fisher Scientific representatives to schedule your complimentary checkup today!
