

# Teaching ChemE Journal Club

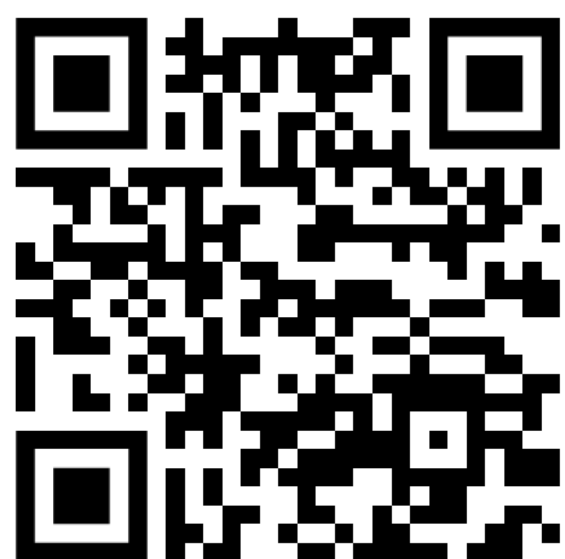

## JANUARY TOPIC

*The Origins of Biomedical Engineering  
from Chemical Engineering:  
How Fields Evolve*

**Wednesday, January 24 at 2:00-3:00 pm,  
CBEC 330**

This month's discussion led by Jacob Doon-Ralls.

*Open to all OSU CBE undergraduate & graduate students,  
postdocs, faculty, and anyone interested in this month's topic.*
