Name: _____ **Date:** _____

Department: _____

Program/Major: _____

Degree in Progress: **Master's Degree** **Doctorate**

Please describe, in 450-750 words, your exceptional performance in being able to progress in your degree while caregiving of children/a child or being a caregiver of others, with recent extraordinary COVID-19 pandemic stressors (e.g., ranging from home schooling, sharing electronic devices, to having no childcare, etc.). If you were able to also go the extra mile taking on leadership responsibilities, and/or serving as a graduate assistant in the areas of teaching or research, please also include that in your write-up.
