<u>Overview</u>
If you are new to MATLAB, or just want to want to brush up your MATLAB skills, join us for a MATLAB Onramp Workshop. We will go through the hands-on 2-hour online, interactive MATLAB Onramp training.

Highlights
- ✓ MATLAB in academia and industry: 15 min
- ✓ MATLAB Onramp: 1 hr. 30 min
- ✓ Win prizes by completing coding challenges
    - o Pizza & drinks will be provided

<u>Before the event:</u>
- Please create a free MathWorks.com account, and associate yourself with the Ohio State University license.
- Please bring a laptop/tablet with a modern web-browser and WiFi connectivity (System Requirements).
- Please download and install MATLAB R2017b on your device before the event – or ensure access to MATLAB Online.
