It's "Everybody gets \$10 from you" day. Figure out how many people are in this room and multiply it by \$10 and deduct that from your account.

Everybody else in this room should add \$10 to their account.

You drained the oil in your car to see how far you could get.

a) That was really stupid of you

b) Not very far

Congrats to the salesperson
who made the commission on
the sale of this wonderful
diamond.

Oh yeah...congrats on your
engagement, too.
