

# Grape Fungicide Spray Program Virtual Consultations

*Consultations designed to assist growers with improving and optimizing their fungicide spray program to minimize the risk of fungicide resistance.*

- A one-on-one virtual consultation with Dr. Melanie Lewis Ivey, OSU Fruit Pathologist
- During the consultation we will:
  - review the effectiveness of your 2022 spray program in controlling fungal / oomycete diseases
  - review and optimize your 2023 spray program
- Each consultation is 60 minutes.
- Free to grape growers in Ohio

Dates and times available on:

- February 27
- February 28
- March 1
- March 3
- March 6
- March 7
- March 9

\* Must sign –up for a time 24 hours in advance
