

# ASEV-ES Presents *Grapevines to Wines* "Hang Time"

Don't forget to join us on Thursday, Feb.8, 2024 at 11:30 A.M. EST for our beginning session of "Hang Time" for the new year.

We'll be discussing using verjus as a wine acidifier. If you don't know what verjus is, join us to learn! The economics of applying this practice will also be discussed.

Our featured panelist is Dr. Andreea Botezatu, Associate Professor & Extension Enology Specialist at Texas A&M, and her PhD student Cassie Hutcheson.

All interested are invited to attend, both ASEV members and non-ASEV members! Free, registration required, just click the link or scan the QR code below. See you on Thursday, February 8!
