

Seasonal Internship Position

Ecological Solutions, Inc., an environmental consulting firm in Roswell, Georgia, is seeking qualified applicants to fill seasonal positions for interns in the 2017 summer season. This is a great opportunity for a student in a natural resource program to acquire skills and field experience in mist netting and acoustic surveys for bats, radio-telemetry, and data collection and management.

Job Duties:

Daily field work includes mist-netting, acoustic surveys, radio-telemetry, data management and entry, professional contact with clients, equipment maintenance and decontamination, and may require some office work.

Minimum Qualifications:

- Ability to work as a team or independently.
- Experience working long hours (days or nights) in challenging conditions
- Self-motivated, positive attitude, detailed oriented, and good communication skills.
- Working knowledge of Microsoft Word and Microsoft Excel programs.
- Ability to carry heavy equipment long distances in rugged terrain
- Currently enrolled in college for wildlife related major.
- Possess a valid driver's license and good driving record.

Preferred Qualifications:

- Pre-exposure rabies vaccination
- Experience with mist nets
- Experience with radio-telemetry
- Experience identifying bat species

Salary: Competitive hourly rate with experience and qualifications.

Accommodations: Lodging and a meals provided.

Start date: May 2017

To Apply: Please send resume/CV, cover letter, and three job related references
