COURSEVIEW SUMMER CAMPS

for students in grades 7-12

June/July 2013

www.sinclair.edu/courseview

Sinclair Community College **COURSEVIEW SUMMER CAMPS** for students in grades 7-12

“What’s So Funny”? Comedy Camp

Monday, June 17 - Friday, June 21 | 1:00 PM - 4:00 PM

\$75.00 per week | Grades 7 - 12

This will be a look at comedy through the ages. What makes us laugh? Do people from different cultures laugh at the same things? What did Ancient Greeks think was funny? What did Shakespeare do to get people to laugh? What do some of the best comics of today do? We will focus primarily on PG rated material, but campers – and parents – must be comfortable with scatological humor references, Shakespeare is full of them! Taught by Sinclair Communications faculty Liz Eichler. Students will perform original group skits at the end of the week. Lunch is not provided. Limited to 20 students.

Guitar Building Camp

Monday, June 24 - Friday June 28 | 9:00 AM - 12:00 Noon

\$180.00 per week | Grades 9 - 12

Students will build (and keep) their own electric guitar from a kit, learning along the way how everyday math and science concepts apply to the guitar. Students will also receive playing instructions, and will perform together at the end of the week.

Taught by Sinclair Guitar Lab technician Matt Mongin and guitarist Robert Brown. No lunch provided. Limited to 20 students.

Waterbotics STEM Camp

Monday, July 8 - Friday, July 12 | 9:00 AM - 4:00 PM

\$125.00 per week | Grades 10 - 12

Students will have fun learning math, science and technology skills by designing and building aquatic Lego robots and solving four design challenges.

Taught by full time Sinclair Automation & Control Technology faculty, Paul Lawrence. Lunch provided. Limited to 20 students.

Digital Photography Summer Camp

Monday, July 15 - Friday, July 19 | 9:00 AM - 12:00 Noon

\$75.00 per week | Grades 7 - 12

*Join us this summer to learn about the Art of Photography and the Joys of Photoshop! This five half-day camp will explore the wonders of the camera, the complexities of composition, and the crafting of outrageous digitally altered images. * Students must provide their own camera. Outside class work is required.*

Taught by Sinclair Art faculty Benjamin Hobbs. Lunch is not provided. Limited to 20 students.
