

Control Sheet

Below are the names of each of the ten applicants who have applied for admission to the National Gifted Program for this week. Our area averages about 3 spaces each month. In the first column you should mark your individual decision for admission of each applicant. You are not committed to your individual decision; it is simply to facilitate the group decision later. The second column is provided for you to keep a record of the decision your group reaches on each applicant.

	Record your individual decision here	Record your group's decision here
