Science Spectacular!

Presented by...

Casey Holtzman, Kettering City Schools GIS
Jenn Stormer, Northmont City Schools GIS

Have you ever wanted to start a STEM or PBL experience for your students but are unsure where to begin? Join us for Science Spectacular where participants will take away classroom ready PBL and STEM curriculum, engineering design challenges, and innovation techniques that support the social and emotional needs of gifted learners. This session will provide an overall enriched understanding of how to implement high-quality, hands-on, project-based learning while addressing the needs of gifted students. Targeted grade level audience are 3rd- 5th teachers and coordinators.
