## WHAT MAKES NKU'S CAMP INNOVATION PROGRAMS EXCEPTIONAL?

- Camp Innovation attracts a diverse group of gifted, talented and creative people from all over our region! You will find **friends** who share your interests and love of learning.
- **Career exploration pathways** incorporated into every class.
- Classes are **fun!** Classes are interesting and interactive with a focus on transdisciplinary learning, technology integration, and authentic real-world learning.
- Emphasis on **intellectual challenge** through critical and creative thinking.
- Environment that values **creativity, diversity, entrepreneurship, and achievement.**
- Parents are invited to attend our FREE **Parent Place** workshops for coffee, networking, and stimulating conversations.
- Personal attention from **talented and caring teachers.** All teachers receive specialized training and ongoing support to help them meet the unique needs of gifted youth.
- Small class sizes for **caring, personalized, and differentiated instruction.**

## STEM ACADEMY

GRADES 4-9, Monday, June 17, 9:00 AM – 1:00 PM

NKU's Camp Innovation **STEM Academy** for students in grades 4-9 in the fall of 2019 is filled with intensive and interactive experiential learning in science, technology, health, engineering, and mathematics (STEM). The **STEM Academy** program is designed to allow students to explore STEM with their peers by engaging with content experts and developing valuable leadership and decision-making skills.

## GRAPHIC DESIGNERS ACADEMY

GRADES 4-9, Thursday, June 20, 9:00 AM – 1:00 PM

Have you ever wanted to create your own designs and turn them into reality? Join us for the Graphic Designers Academy to imagine, design, and create! We will become graphic designers and learn how to bring ideas to life – from designing and creating t-shirts, to mugs, and wooden signs! We will make different creations using math, art, technology, and use our imaginations to bring our ideas to life! NKU's Camp Innovation **Graphics Designer Academy** for students in grades 4-9 in the fall of 2019 is filled with intensive and interactive experiential learning combining graphic design, technology, mathematics, and visual arts skills and knowledge.

# CAMP INNOVATION PATHWAYS TO COLLEGE PROGRAM

GRADES K-9, June 10-14, 2019, 8:30 – 11:30 am

Northern Kentucky University's Camp Innovation Pathways to College Program is a forward-thinking program designed for youth to discover and explore advanced content and engaged learning.
