"The best moments in our lives are not the passive, receptive, relaxing times... The best moments usually occur if a person's body or mind is stretched to its limits in a voluntary effort to accomplish something difficult and worthwhile."
~Mihalyi Csikszentmihalyi

Creating a Neurodiversity-Affirming Classroom for 2e Students

Wednesday, April 13, 2022

4:30 – 6:00 PM Central Time

Session Fee: \$45*

Emily Kircher-Morris, M.A., M.Ed., LPC

Twice-exceptional (2e) learners are both gifted and have another neurodivergent diagnosis (like autism, ADHD, or a learning disability) and need support for both their advanced cognitive abilities and areas of struggle. This webinar will discuss what we know about twice-exceptional learners and their needs so teachers can help their 2e students find success academically, socially, and emotionally by creating a neurodiversity-affirming classroom environment.

This webinar will be followed by a one-semester-hour class: ECTL:4096:0WKC Topics: *Creating a Neurodiversity-Affirming Classroom for 2e Students*, from April 20 – May 10 (50% tuition scholarship for webinar participants). **Book Study:** Kircher-Morris, E. (2021). [*Teaching Twice-Exceptional Learners in Today's Classroom*](#). Minneapolis, MN: Free Spirit.

If you can't attend the session live, you may still register. We will send the recording as soon as possible after the session.
