PROTOCOL FOR IN HOUSE PATIENT DENTAL CONSULT APPOINTMENTS

Following receipt and completion of the consultation on the floor, if the dental resident determines the patient needs to be seen in the dental clinic, designated staff personnel will coordinate scheduling an appointment.

After the appointments are made, the resident and faculty designated for consults on that particular date will be informed of the date and time of appointment by secure email.

As soon as the appointment is scheduled, the same scheduling personnel will coordinate for a dental assistant.

1. RONDA HUTT, 2. CHRISTINA WHARTON, 3. JENNIFER COMBS & 4. ROXANNE WOODRUFF WILL BE THE CONTACT PERSONNEL IN THE ORDER TO BE CONTACTED FOR SCHEDULING APPOINTMENTS

After completion of the examination, further appointments for Main OR general anesthesia & sedations should be coordinated with Rhonda Hutt, DSC/ASC general anesthesia with Christina Wharton.
