

Society for Women in Physics
February panel discussion:
Gender microaggressions

Wednesday, Feb 18th at 5:15 pm
Physics Research Building 1080
(Smith Seminar Room)

What are gender microaggressions? How do you handle them in professional settings such as conferences?

With our panelists –

Dr. Beatriz Burrola

Gabilondo, Michelle

McCombs, Terry Bradley,

and Dr. Nancy Santagata –

we'll be discussing this issue and tips for how to respond.
