

**Cylinder ID hang tag should remain with cylinder at all times.**

**Forward attached paperwork to your group's administrative support person for further processing.**

**Remove segments of the tag along perforations as tank status changes.**

**Leave empty section on tank when done to indicate to delivery personnel the tank can return to Stores.**

**OSU STORES GAS CYLINDER**

650385

SECURE ALL CYLINDERS IN  
DESIGNATED AREAS.

**DO NOT REMOVE TAG**

It must be returned with the cylinder

We guarantee the right gas to ensure the environment is safe.  
and suitable for typical organic materials.

THE OINT STAY IN  
WORKING AND RELIABLE  
NATURAL FLOW

4 tanks x \$4.95/month/tank = \$19.80 wasted per month  
because tag is missing and tanks did not get retrieved.
