

BREAKFAST OF SCIENCE CHAMPIONS

VOLUNTEERS NEEDED TO LEAD DEMO STATIONS

Breakfast of Science Champions is an event for gifted and talented middle school students in Columbus City Schools. Students participate in breakfast, a presentation and then rotate through 5 demo stations including: Liquid Nitrogen, Superconducting train, Inside a computer, Center of mass through flying fish and a new demo, nanoscale magnetism for electronics. We end the event with Liquid Nitrogen Ice Cream.

9:30 AM (set up) 10:00 – 12:00 on Wednesday February 19th, 2014

Atrium Physics Research Building

Sign up during Coffee Hour or

email Michelle McCombs at mcombs.75 to volunteer
