

Sexual Assault Education Night

Tuesday Feb 25 @ 5:30pm in the Smith Seminar Room

SWiP would like to announce that with help from Student Advocacy and the Student Wellness Center that there will be an educational night on the topic of sexual assault. Everyone in the physics department is invited to learn about this important topic. This educational seminar is important not only for victims of sexual assault but also for their friends, coworkers, and advisors.

Noteworthy feature — people will be able to anonymously text questions during the event

Presenters

Michelle Bangen is the Sexual Violence Prevention Coordinator at the Wellness Center. She will be co-presenting the event

Natalie Spiert is the Sexual Violence Support Coordinator in Student Advocacy. She will be the personal support for attendees as well as co-presenting
