RESOURCE GUIDE

October 2 – November 30, 2017

THE OHIO STATE UNIVERSITY

Dear Colleagues,

Please join us in supporting organizations that make central Ohio a great place to live and work. Our community needs our help, and every Buck matters – your contribution is important.

There are many organizations that make our community one of the best, and we ask that you choose a cause important to you and make your Bucks for Charity donation by November 30, 2017.

If each of us gives a little, together we make a remarkable difference in strengthening the programs and services utilized by our families, neighbors, colleagues, students and friends.

Our community relies on Ohio State and, each year, faculty, staff and retirees donate more than a million dollars to support community services in central Ohio. These agencies count on the support of Buckeyes to meet the critical needs of the people they serve.

We encourage you to utilize this resource guide or the bucksforcharity.osu.edu website to learn more about the participating agencies that benefit from the generosity of people, like you, who care about our community.

Bucks for Charity is a simple way to support your favorite charity – conveniently online one-time or through payroll deduction. Instructions on how to make a pledge are outlined in the guide and online.

Nearly 250 agencies are part of the Bucks for Charity campaign. We hope you find an agency that champions a cause important to you, such as food security, health services, animal welfare, education, advocacy programs or the environment.

Together, our donations strengthen these organizations and, in turn, all of central Ohio. Join us in making an impact and changing lives for the better.

Thank you for supporting Bucks for Charity.

Sincerely,

Michael V. Drake, MD

What is Bucks for Charity?

An Important Opportunity to Support the People of Central Ohio

Bucks for Charity is an important way The Ohio State University gives back to the central Ohio community. Annually, Ohio State faculty, staff and retirees can donate to one or more local nonprofit organizations through the fundraising campaign. Up to 10 organizations can be selected, including those that support food security, health services, animal welfare, education, advocacy programs, the environment and other important community needs.

Participating Organizations

Nearly 250 central Ohio nonprofit organizations participate in Bucks for Charity. Each organization meets specific eligibility requirements and is a member of a respected local federation. Federations serve as “umbrella” organizations for numerous independent member agencies representing a wide range of services.

This resource guide includes all participating agencies, organized by their federation, along with descriptions, contact information and the agency code. You can choose to support an entire federation, with your contribution distributed among all of its charities, or designate your gift to an individual agency within a federation.

For detailed information about the federation’s policies or member agencies, please contact them directly or visit their website.

Giving is Easy

There are two ways to give – online with payroll deduction or with cash or check using a paper pledge form. Visit bucksforcharity.osu.edu to make your Bucks for Charity pledge online through payroll deduction. For additional information about making your pledge, including using a paper pledge form, see pages 4-5.

Frequently Asked Questions

How do I make my contribution to the Bucks for Charity Campaign?

You may donate via **Payroll Deduction** using **E-Pledge**, our online pledging system, or by using a **paper pledge** form available from your college or department coordinator. Payroll deduction allows you to donate to the campaign each paycheck with your annual pledge spread over the course of a calendar year.

How can I direct my contribution to the agencies of my choice?

This resource guide lists all the eligible federations and member agencies approved for inclusion in Bucks for Charity, along with a brief description that details its services, programs and clients served. Simply find the agency that best meets your giving preference and indicate that code online in E-Pledge or on the paper pledge form.

If you would like the federation of your choice to allocate your gift where the need is greatest among its many agencies and causes, select the code representing that overall federation. The federations, their codes and descriptions appear at the top of each section of this guide.

The charities have self-identified their area of focus. Listed below is a breakdown of the codes that can be found at the end of each of the charity descriptions:

Area of Focus - Legend

A - Education	G - Adult/Senior
B - Health	H - Youth
C - Environment	I - Animal
D - Social Justice	J - Public Safety/Disaster Relief
E - Hunger	K - Community Improvement
F - Housing	L - Other

You may also contribute a **One-Time** gift, using E-Pledge (deductible in February 2018) of at least \$5 per charity, cash or personal check, which must be submitted using a paper pledge form. Credit cards are not currently accepted.

Do Bucks for Charity deductions automatically renew?

Pledges made during the 2016 campaign do not automatically renew for the 2017 campaign. However, new this year, **payroll pledges** made during the 2017 campaign will renew in the 2018 campaign.

What does the percentage listed after each agency description refer to?

The percentage of its administrative costs – the portion of donations used for management and fundraising that does not go directly to services, often referred to as overhead.

Please keep in mind that administrative percentages vary based on differences in budgets and sources of funding. A higher number may indicate a greater need in some cases.

What happens if I do not specify a code on my pledge form or E-Pledge?

If you do not designate your gift to specific federation or agency, your donation will be considered “undesigned” and divided among charities according to the percent of total designations received.

May I designate my funds to my charity of choice?

You may also make a gift to a qualified, tax-exempt 501(c)(3) health and human services agency located within central Ohio that is not listed in the resource guide. On E-Pledge or your paper pledge form, write in the name, address, phone number, and tax identification number of the agency in the box marked “5. OTHER AGENCY DESIGNATION” and enter the pledge amount in the box above corresponding to #5. A code is not required. *(Note: Agencies must meet eligibility requirements of the Campaign Coordinating Agency before designations can be processed. The Office of Human Resources will inform you in the event of an agency’s ineligibility.)*

Are my donations considered pre-tax deductions?

No, only benefit-related items are deducted pre-tax (health insurance, parking, etc).

May I deduct my donations from my taxes?

Payroll deduction pledges collected during this fall campaign, will not be deductible until the following year (these pledges will be collected for the 2017 tax year). If you donated cash or check and submit before December 31, 2017, you may deduct those donations during the 2017 tax year.

What documentation do I need for my taxes?

E-Pledge will automatically email a confirmation once your pledge is submitted, **please keep that as a receipt for your records**, as it will be helpful during tax filing. If you donate using a paper pledge form, **save the pink copy for your records**. Each charity receiving donations is asked to acknowledge your gift within the first quarter of the New Year. The IRS does not require charitable organizations to provide written statement for donations under \$75.

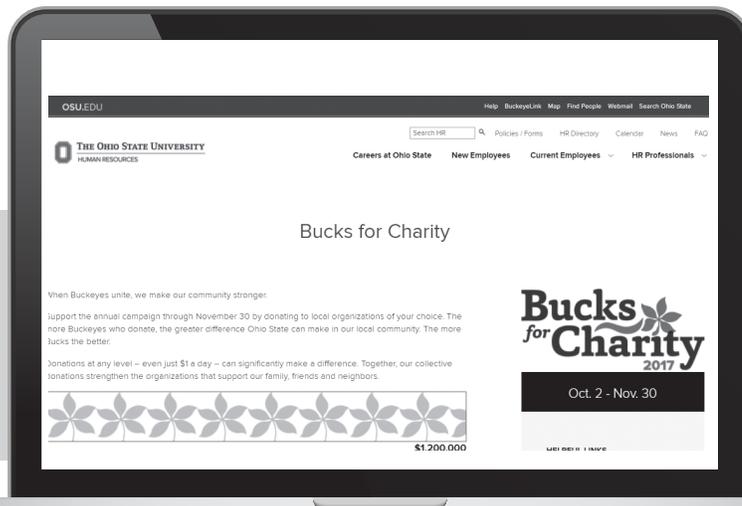

Does Ohio State participate in matching programs?

No, Ohio State does not match donations to Bucks for Charity.

Completing the Paper Pledge Form

A paper pledge form can be used for annual payroll deduction or can be used for one-time cash or check donations. Remember, to donate by cash or check, you must use the paper pledge form.

- 1 Clearly print your **name** and **employee ID number** in the designated spaces, using a black or blue ballpoint pen. (Please do not use felt-tip markers, as the information may not scan accurately.)
- 2 Be sure to indicate (by checking the appropriate space) if you are paid **12 times** (monthly) or **26 times** (biweekly) per year. A minimum gift of \$5 per charity is required for one-time contributions.
- 3 **Designate your gift** by completing the boxed charity code sections. Using the federation and agency descriptions within this guide as a reference, write in the five-digit codes and the name of the organizations you wish to support. If you would like the federation of your choice to allocate your gift where the need is greatest among its agencies and causes, select the code representing that overall federation. The federations, their codes, and descriptions appear at the top of each section of this resource guide. You may select up to five federations and/or agencies.
- 4 To make a gift to qualified, tax-exempt 501(c)(3) health and human services agencies in central Ohio that are **not listed in the resource guide**, write in the name, address, phone number, and tax identification number of the agency in the box marked "OTHER AGENCY DESIGNATION" and enter pledge amount in the appropriate boxes at #5. Note: Agencies must meet eligibility requirements of the Campaign Coordinating Agency before designations can be processed. OHR will inform you in the event of an agency's ineligibility.
- 5 Next to each five-digit charity code, **indicate how much you wish to donate to each charity annually**. (Payroll deduction requires a minimum gift of \$1 per pay period per charity.) If you wish to give a one-time gift of cash or a check, indicate the amount, complete the charity designation in the same manner, and submit the contribution with the pledge form.
- 6 Check the appropriate box if your gift qualifies for **leadership recognition** (see page 6) or **other preferences**.
- 7 **Be sure to sign and date your pledge form**. Your signature authorizes your payroll deduction. Return the white and blue copies of your form to your departmental coordinator.
- 8 **Keep the pink copy for your files**.
