

Brought to you by:
The Ohio State University
Aquaculture Boot Camp Program
The Ohio Aquaculture Association

Are you new to aquaponics or an experienced grower? If so, this workshop is for you. Learn about the different aquaponics methods, aquaponics food production, business aspects and marketing strategies, how to handle and maintain your fish and plants, and much more to enhance your knowledge. Sessions will be taught by industry experts from the region. Special guests to be announced!

Friday-Saturday, July 10-11, 2015
Ohio State University South Centers
