

## Aquaculture Boot Camp 2 Informative Workshop

If you have interest in fish farming or aquaponics, the Aquaculture Boot Camp 2 (ABC2) program may be able to make it a reality. This program teaches about all facets of the industry and is provided at no cost to the participant thanks to funding by USDA NIFA.

### ABC offers the integrated training with "3-I" levels:

- **Intensive**—in-depth level, involving immersion in a year-long hands-on training and mentoring program
- **Intermediate**—mid-level, involving participation in a variety of learning activities
- **Introductory**—general level, where sharing of information is the goal

Now is the time to learn more, as applications for 2018 will be due soon!

Interested in joining but you are not sure what to expect or what level to participate? All are welcome at our informative workshop!

Learn more about the program, meet our staff and industry partners to learn about one of the most innovative aquaculture and commercial aquaponic training programs in the country.
