

Join us for an all-day bus tour of four Ohio aquatic culture facilities on Saturday, October 21st, 2017. Stops will include:

- Ripple Rock Fish Farm (RAS tilapia)
- Fender's Fish Hatchery (pond complex, many species)
- Tom's Fish Farm (RAS perch, bass, etc)
- The Ocean Friend's Aquaculture (indoor saltwater shrimp).

Tours at each facility will last approximately 1 hour.

This is an opportunity for attendees to see a wide variety of aquatic culture species and techniques, network with friends & fellow culturists, and ask questions of the operators themselves.

This tour is supported by a grant of Aquaculture Boot Camp (ABC)

(No. 2016-70017-25377) from the USDA National Institute of Food and Agriculture (NIFA)

awarded to Dr. Hanping Wang in The Ohio State University.

OAA/ABC-2

Bus Tour

October 21, 2017

9:00 – 5:30
