

Wisconsin Aquaculture Conference 2018

Friday March 2nd & Saturday March 3rd 2018

At Hotel Marshfield, Wisconsin

A Collaboration between

Wisconsin Aquaculture Association

&

UW-Stevens Point Northern Aquaculture Demonstration Facility

The Wisconsin Aquaculture Association has collaborated with the UWSP NADF to offer this year's Wisconsin Aquaculture Conference in Marshfield on March 2nd and 3rd, 2018. The conference will pull in surrounding states including Minnesota and Michigan to discuss industry updates and state priorities. The idea to incorporate surrounding states suggests the potential for future collaboration and growth as Midwest aquaculture is taking great strides and advances.

The WAA conference will include topics such as industry updates, hatchery design, aquaponics, fish health and biosecurity, training opportunities, marketing and labelling, expert panel and also includes an industry tradeshow, lunch on Friday and Saturday and a Taste of Wisconsin cooking demonstration Friday night. This conference is a great way to connect with the industry and learn about new systems, techniques and best management practices.

Conference Pricing:

WAA Members: \$150.00

Non-Member*: \$175.00

Boot Camp Applicant**: \$100.00
