Register at: producesafety.osu.edu/events

This is a 3-hour educational course that covers good agricultural practices or GAPs. GAPs trainings provide growers with the knowledge and tools needed to implement on farm best management practices to reduce on-farm microbial food safety hazards. *Participants will receive a certificate of completion at the end of the training.*

*If you require an accommodation such as live captioning or interpretation, please contact Ashley Kulhanek at Kulhanek.5@osu.edu or 330-661-6404
