

# High Tunnel Soilless Strawberry Field Night

## May 6, 2021

Interested in touring, viewing, and learning more about growing strawberries with soilless substrate? Join the OSU South Centers and the OSU Department of Horticulture for an in-person high tunnel strawberry tour. This program will provide you with a chance to see first hand the latest strawberry growing technology utilizing a soilless method in a high tunnel environment.

Due to COVID-19 gathering restrictions, we are only able to accept 22 registrations. Please understand that we cannot make exceptions. Attendees are required to wear face masks at all times and practice social distancing. Food and drink will not be provided so please plan accordingly.

This is a free presentation but space is limited. Register today by sending your name, phone number, and email address to Anna Adams at [adams.2061@osu.edu](mailto:adams.2061@osu.edu).
