

**CFAES**

# HYDROPONICS AQUAPONICS IMPACTS + OPPORTUNITIES

**THURSDAY, AUGUST 5, 2021 • 5:30 - 9 p.m.**

## Featured Speakers

**Jeni Blackburn**  
Co-Owner,  
Fresh Harvest Farm

Ohio State University  
Researchers and  
Extension Specialists

This educational aquaponics workshop will discuss the benefits and sustainability of an aquaponics system while conserving resources. Our featured speaker will be Jeni Blackburn, co-owner of the family-owned Fresh Harvest Farm in Richwood, Ohio, where they utilize Yellow Perch to grow produce through aquaponics. You will also hear from Ohio State University researchers and Extension specialists. Attendees will have the opportunity to tour the Ohio State University South Centers aquaponics research system.

Topics covered will be beneficial to both beginners and experienced aquaponics farmers, and will include:

- Aquaponics Status Update
- System Selection and Maintenance
- Plant and Fish Production
- Water Quality
- Social Media and Marketing
- Business Success/Finances
- And more
