Thinking Inside the Box

Growing CSA's across the Tri-State Region

Save the Date!

Community Supported Agriculture programs, or CSA's, have become an increasingly popular way to receive fresh, local products on a regular basis throughout the growing season. And they are helping farmers succeed.

Are you interested in starting a CSA in your community? Are you looking to grow your existing CSA program? Join Michigan State University, Ohio State University, and Purdue University for a Tri-State CSA conference **October 24th** and **October 25th 2021** in Archbold, Ohio! Hear directly from industry leaders and learn ways to make your CSA more successful.

This conference is sponsored by the North Central SARE project. More details will be released at a later date. Please visit go.osu.edu/2021csaconference for conference details, agenda, speakers, and registration information.
