

## EXTENSION

1890 LAND-GRANT INSTITUTION

# Fish Filleting Workshop and Fish Harvest

Interested in learning how to fillet fish? Join us for interactive demonstrations on filleting fish as we harvest tilapia from the aquaponics system. We'll also provide education about safe food handling and discuss how to create a sanitary fish processing area for your aquaponic system. Bring a cooler full of ice to take some tilapia home to fillet.

Speakers will include Dr. Robert Korir, Assistant Professor, Food Science, Central State University, and Don Jones, Kingdom Fish, Rushsylvania, Ohio.

### CESTA/1890 Land-Grant Programs at CSU

*Central State University, an 1890 Land-Grant Institution, is committed to the full inclusion of all people, and does not discriminate on the basis of age, ancestry, race, color, disability, gender identity or expression, genetic information, HIV/AIDS status marital or family status, military status, national origin, political beliefs, religion, sex, sexual orientation, or veteran status.
