CULTIVATING A FARM BUSINESS

A training for aspiring and new farmers

9:30 a.m. – 12:30 p.m.
SATURDAY DEC 11, 2021

Are you a home gardener interested in cultivating your growing skills into a small business? Have you thought about getting into farming but don't know where to start? This free, online introductory training will help participants develop a sustainable plan for continued growing. Whether farming to generate income or for personal consumption, this program help participants with setting financial goals, selling their products, and establishing collaborative relationships

Learning Sessions: Financial Goal Setting •
Selling Your Products • Collaborative Food and Ag

We strive to host events that are inclusive and accessible to everyone. If you require accommodations to fully participate in this activity, please email Ryan Kline at kline.375@osu.edu.
