

# Fulbright U.S. Student Program Information Session

## ABOUT THE EVENT

Please join Fulbright U.S. Student Program staff from the Institute of International Education (IIE) and Fulbright Alumni Ambassadors for an information session to learn about opportunities for U.S. citizens to go abroad to pursue graduate or professional study, conduct research, or teach English.

During the session, you will find out about the types of Fulbright awards, application components, tips, and get your questions answered. Following the program overview, attendees will enter a breakout room with Ohio State Fulbright advisors to learn more about applying through their institution.
