“Character and Mourning is a pleasure to read throughout; the readings are consistently illuminating, and the comparative discussion of the elegiac novels of Woolf and Faulkner is original and expands our understanding of their work in substantial ways.”—Patrick O’Donnell, Michigan State University

“Intelligent, perceptive, and elegantly written, Character and Mourning makes an important contribution to our understanding of genre theory and modernism.”—Michael Gorra, Smith College

Highlighting their sustained attention to elegiac reinvention over the course of their writing careers—from *Jacob’s Room* to *The Waves*, from *The Sound and the Fury* to *Go Down, Moses*—Penner moves beyond biographical and stylistic differences to recognize Faulkner and Woolf’s shared role in reshaping elegiac literature in the period following the First World War.
